### ***Nu-Bridge Rehabilitation Project***

The City of Lebanon has obtained the services of the Louis Berger Group, Inc. to design and manage the construction of the rehabilitation of the Nu-Bridge on Miracle Mile. The design was performed under the New Hampshire Department of Transportation Municipally-Managed Bridge Aid Program.

The contract was awarded to T Buck Construction, Inc, in the amount of \$4,472,183 and is funded 80% by the Federal Government and 20% by the City. The project includes the placement of a temporary bridge for continued access to the area. The existing bridge deck will be replaced and widened to provide a sidewalk and bicycle path.

Construction is scheduled to commence the week of February 11, 2008 with final completion expected in June, 2009.

If you have any questions please call the City Engineer's office at (603)448-0674.
